Shilu Singh, the first practicing woman lawyer in Nepal, founded the women's legal aid services which worked to inform women of their rights.

One moment, please. How much does one Diflucan pill cost? It was the second straight week Summerhays failed to close a tournament after having at least a share of the lead on the final day.

She said that she had undergone numerous courses of antibiotics, and that after the last one failed the physicians had told her, "well, let's just observe it and see what happens."
