he told me in earnest to not depend upon social security, medicaremedicaid, or really anything designed to assist me when i'm too old or infirm to work

to reduce the spread of hiv (human immunodeficiency virus) and aids (acquired immunodeficiencysyndrome)

our board of directors has authority to issue up to 10,000,000 shares of "blank check" preferred stock and to attach special rights and preferences to this preferred stock

a testament to this is the pirelli diablo rosso ii tyres
